

NEW ENVIRO+ PRODUCTS

As a part of our continuing product developments to ensure we have the best products we can for applications, Penrite have introduced two new Enviro+ products.

ENVIRO+ DL-1

SAE 5W-30

- This product has been specifically introduced for Mazda light duty diesel engines where JASO DL-1 is required.
- It has JASO DL-1 registration number M355: D061POA001.
- Also suitable for use in the Mitsubishi NS Pajero diesel automatic and the Mitsubishi ASX diesel.
- Additionally it meets ACEA C2 for optimal fuel economy in various European petrol and diesel engines including in Citroen and Peugeot.
- The very low ash of this product also makes ideal for engines requiring ACEA C1 and Ford M2C934 such as various Jaguar and models.

ENVIRO+ GF-5

SAE 5W-30

- Meeting API SN Resource Conserving, ILSAC GF-5 and the new General Motors DEXOS®-1 it is designed as a service fill product for all General Motors MY2011 petrol engines.
- It is ideal in HSV and Holden engines, both V6 and V8 and can be used anywhere that a 5W-30 API SN, SM or SL oil or ILSAC GF-5, GF-4 and GF-3 oil is required.

In addition, **ENVIRO+ 5W-40** is being upgraded early in 2011.

- It will meet API SN and ACEA A3/B4/C3.
- OEM specifications BMW LL-04 and Mercedes Benz 229.51 will also be covered along with VW 505.01 and General Motors DEXOS®-1. Formal OEM qualifications are being progressed.
- As it is now ACEA C3, users of this product in ACEA C1 applications should now use either ENVIRO+ 5W-30 or the new ENVIRO+ DL-1.
- Customers who use in Mercedes Benz, BMW and Volkswagen applications do not need to make any changes.
