# ***NEW HIGH PERFORMANCE TWO STROKE OIL RELEASED***

Due to problems with the supply of raw materials, Penrite TS40C will be withdrawn from sale once current stocks are exhausted.

In its place, is a brand new high performance product, ***Small Engine HI-PER Two Stroke Oil.***

This product is a low ash, semi synthetic and is made to a low smoke formulation. It exceeds ISO EG-C, JASO FC and also the requirements of Husqvarna. This makes it suitable not only for chainsaws in extreme service but also for racing and warranty service in two stroke motorcycles\* and Sea Doo Jet Skis.

Penrite HI-PER Two Stroke Oil is available in 1L, 2.5L and 20L containers.

Codes:  
SEHPTS001  
SEHPTS0025  
SEHPTS020

*\*note some engines may require Penrite Racing 2TT a fully synthetic oil meeting ISO EG-D. Neither HI-PER Two Stroke Oil or Racing 2TT are suitable for use in ultra-light aircraft.*
