

SMALL ENGINE

Small internal combustion engines require just as much care as larger capacity engines. Smaller engines also come in different variations such as two stroke, four stroke, industrial, general purpose, marine, motorcycle and stationary. Small capacity engines are also not designed to run on late specification, friction modified engine oils as used in many modern passenger vehicles.

Small Engine 4 Stroke 10W-30, 20W-50 & SAE 30

Product Code	Pack Size	Carton Qty
--------------	-----------	------------

Small Engine 4 Stroke 10W-30

SEFS1030001	1 Litre	6
SEFS10300025	2.5 Litres	4
SEFS1030005	5 Litres	4
SEFS1030020	20 Litres	1
SEFS10300205	205 Litres	1

Stroke: 4

Base Oil: Semi Synthetic

Viscosity: 10W-30

Key Specifications: API SL/CF, ACEA A3/B3, China National GB 11121-2006

Colour: Amber

Small Engine 4 Stroke 20W-50

SEFS20W50001	1 Litre	6
SEFS20W500025	2.5 Litres	4
SEFS20W50205	205 Litres	1

Base Oil: Premium Mineral

Viscosity: 20W-50

Key Specifications: API SG/CF, JASO MA

Colour: Red

Small Engine 4 Stroke SAE 30

SEFS30001	1 Litre	6
SEFS300025	2.5 Litres	4
SEFS30005	5 Litres	4
SEFS30020	20 Litres	1
SEFS30205	205 Litres	1

Base Oil: Premium Mineral

Viscosity: SAE 30

Key Specifications: API SG/CD, MIL-L-2104B

Colour: Red

Penrite Small Engine 4 Stroke Multigrade 10W-30, 20W-50 & SAE 30 are non-friction modified engine oils, formulated with modern additives for use in small four stroke engines. They provide complete protection against wear and corrosion and are designed to meet the lubrication needs of small four stroke engines. Suitable for use in motorcycles with wet clutches.

Small Engine Greenkeepers 2 Stroke

Product Code	Pack Size	Carton Qty
--------------	-----------	------------

SEGNKTS0002	200 Millilitres	12
SEGNKTS001	1 Litre CP	6
SEGNKTS0025	2.5 Litres	4
SEGNKTS020	20 Litres	1
SEGNKTS205	205 Litres	1

Base Oil: Premium Mineral

Colour: Green

Stroke: 2

Key Specifications: JASO FB, API TC

Penrite Small Engine Greenkeepers 2 Stroke is a high quality, general purpose, two stroke engine oil manufactured from the latest generation low ash additives and premium mineral base oils to provide complete engine protection under all operating conditions. Mixes readily with petrol.

Small Engine Hi-Per 2 Stroke

Product Code	Pack Size	Carton Qty
--------------	-----------	------------

SEHPTS001	1 Litre CP	6
SEHPTS0025	2.5 Litres	4
SEHPTS020	20 Litres	1
SEHPTS205	205 Litres	1

Base Oil: Semi Synthetic

Colour: Red/Orange

Stroke: 2

Key Specifications: API TC, JASO FC, ISO EG-C

Penrite Small Engine Hi-Per 2 Stroke is a high performance, semi synthetic, low smoke, low ash, two stroke engine oil made from the latest generation additive technology and premium base oils. Suitable for use in many types of two stroke applications such as lawn mowers and chain saws. Mixes readily with petrol.

MC-2ST Full Synthetic

Product Code	Pack Size	Carton Qty
--------------	-----------	------------

MC2FULLSYN001CP	1 Litre CP	6
MC2FULLSYN004	4 Litres	4
MC2FULLSYN020	20 Litres	1

Base Oil: Full Synthetic

Colour: Deep Red

Stroke: 2

Key Specifications: API-TC, JASO FD, ISO EG-D, Piaggio Hexagon (performance), Aprilia DiTechSR50 (performance)

Penrite MC-2ST Full Synthetic is a premium full synthetic, ester based two stroke engine oil for maximum power and protection in all two stroke engines. It uses a new powerful, practically ashless clean burning high performance additive package for maximum lubricity and low piston deposits. Mixes readily with petrol.

Chain Saw Bar Oil

Product Code	Pack Size	Carton Qty	Base Oil: Premium Mineral	Colour: Dark Blue
CSB001	1 Litre	6	Penrite Chain Saw Bar Oil is a specially formulated, tacky lubricant designed to protect the chain and bar of all types of chain saws against wear, rust and corrosion. It is designed for all petrol and electric type chain saws. Its advanced formula and special additive pack reduces wear on the bar, chain and sprockets. It also flushes away dust, chips and sap from the working surfaces ensuring smooth and consistent cutting.	
CSB005	5 Litres	4		
CSB020	20 Litres	1		
CSB205	205 Litres	1

(All products are available in 1000L Pods, on request)

Key Features & Benefits of the Small Engine range:

- › Range of two stroke and four stroke oils.
- › Available in range of sizes for the home handy man or professional landscape gardener.
- › Two stroke oils maximise spark plug life through low ash formulation. and are formulated to mix readily with fuel.
- › Provide for excellent engine cleanliness and wear protection.

TWO STROKE MIX RATIO CHART

Fuel / Oil Ratio	mL per 1L of fuel	mL per 5L of fuel	mL per 10L of fuel	mL per 20L of fuel
10:1	100	500	1000	2000
20:1	50	250	500	1000
25:1	40	200	400	800
50:1	20	100	200	400
100:1	10	50	100	210

For Example: If your brush cutter requires a 25:1 Fuel to Oil ratio and you have a 5L fuel container, you would add 200mL of two stroke oil to your fuel container prior to re-fueling.
